

WATERCOLOUR TRAINING WITH NICOLAS LOPEZ

12 and 13 DECEMBER 2020 - WORKSHOP 1/4

THE WATER LANDSCAPE

Researching **survival tools on the** path of the unknown (water) to reach the discovery of watercolour

12 December, DAY 1 - from 4pm to 8pm (Spanish time)

- 1 - Papers** Personality of the papers, their characteristics, their qualities.
Basic presentation of the 3 types of watercolour paper: 100% cellulose, 50% cellulose - 50% cotton, 100% cotton
- 2 - Watercolour, pigments** Management of water vs. pigment ratios, study of colours and their mixtures
- 3 - Brushes** Types and sizes of brushes in watercolour work, which one is most suited to the expression of water
- Work program:** To explore the possibilities of these three elements combined, in specific exercises, with the aim of laying the foundations for good watercolour work.

DEMO and exercises by participants

13 December, DAY 2 - from 4pm to 8pm (Spanish time)

- Work program:** Apply these resources **in 3 works step by step**: one single theme, on the 3 papers.
- Final project:** Each student will create a piece of work at home according to a final demo during the workshop. Nicolás will send the feedback when he receives the work.

The students will be monitored during the 4 hours of the course, with interactions and questions at the right time, to guide their process.

Materials A list Nico's suggested list of materials will be sent to all registrants.

Online Platform The ZOOM platform will be used to carry out the course. The registered students will have access to the recording of the classes after the course. Groups of 25 people.
