

# Nicolas Lopez in Girona

5 & 6 NOVEMBER 2022

## THE LANGUAGE OF WATER

Sat 5th and Sun 6th November from 9.30am to 5.30pm

### Course dynamics

The course is 100% practical and guided by the tutor

- We will paint a landscape of Girona city or province using a photograph to understand its characteristics and distribution values when composing. We will do practical exercises that will help to clear doubts and concerns and then we will paint together.
- The second day, weather permitting, we will go out to paint *plein air* in Girona.

### Work process

A combination of theoretical concepts and practical demonstrations.

Day 1: From very small format sketches to ¼ sheet (28 x 38 cm) in the studio.

Day 2: Plein air sketches in Girona, final painting in the studio (up to ½ sheet, 38 x 56 cm)

### Program

- Recognition of the elements that make up the technique (pigments, paper, brushes, mainly water).
- The composition.
- Choice of palette.
- Execution.
- Critique and exchange of ideas.
